Trail Report

- Morrison Co. trail meeting has not taken place to date. New county maps to be approved in November, and printed in December. Existing members have already re-newed their advertising spots. LLASC to inform county of new trail to be included on the map at November review.
- Trail signs have been checked and replaced as needed on all trails, except of the Motley trail which needs a review. Trails are in good condition, and do not need much attention at this point, with the exception of packing that needs to be done after freeze. There was discussion of adding 2-way trail signs on 64, but was deemed unnecessary at this point.

Groomer

Ready to go, just needs to be hooked up. Arnie had questions the insurance coverage for the tractor on his property, and confirmed by Steve to be covered by the club.

MnUSA

- Nancy Hanson reported that xx is the new president.
- MnUSA is talking about a legislative ride on the Camp Ripley State Veterans Trail. LLASC expressed interest in supporting/helping with the ride. Nancy to inform MnUSA.
- DNR announced cuts to previous grants due to a drop in registrations.
- 30th Anniversary of the Taconite Trail. Celebration to be at the Itasca Co. Fairgrounds in Grand Rapids.
- Rendevous to be in Hinkley this season.
