

Lincoln Lakes Area Snowmobile Club

Meeting Minutes – November 11, 2017

<http://llasc.org>

Steve Zahler called the meeting to order at 11:25am at The Castaway.

Attendees

Steve Zahler, Danielle Dziedzic, Mick Farber, Jim Moore, Jill Moore, Nancy Hanson, Jerry Hanson, Al Doree, Terry Sandstrom, Taylor.

Meeting Minutes

Danielle reviewed the minutes of the October 7, 2017 meeting. Nancy moved to approve the minutes, Mick seconded. Motion carried.

Treasures Report

Mick Farber reported that the club has a balance of \$8,331.44. Mic needed a software update for his computer and purchased a new version of Quicken for \$72. Also spent \$49 on mailing out membership renewal notices. Membership renewal has been good so far, and we will do the mailer again next year. Danielle moved to approve the minutes, Terry seconded. Motion carried.

Morrison County Update

- Purchased a new tractor, basically the same equipment that we already have. Morrison County has not been very receptive to our input in the past on what works best for our trail conditions, and did not consult the club on the purchase of new equipment. LLASC board and officers are feeling frustrated.
- New groomer still needs tracks. Our current blade is too heavy, hoping Morrison Co. will purchase a new lighter blade.
- Discussion about hourly rates and compensation for work.

Membership

- Mailers were sent out about a week ago to members. Already have 20 people who have renewed.
- MnUSA Calendars were available, and members are encourage to sell.

MnUSA

- Veterans Ride in Paynesville on January 13, 2018.
- 2018 Rendezvous to be held at Izaty's in Onamia, MN on February 8-11.
- DNR having issue registration stickers being the wrong color.
- Discussion about vintage snowmobiles having a lifetime registration of \$6. However there are approximately 50,000 snowmobiles that qualify. Looking at a trail fee so that the state can gain revenue from sleds that are just barely vintage and still being used regularly.
- Artic Cat supporting MnUSA events and looking for ways to promote snowmobiling.
- Visit <http://www.snowmobile-mnusa.org/> for information.

Trail Report

- Need to freeze/dry up before work can be done.
- Need to talk to new owners of "Stan's Place" to get permission to use the land. Sounded like they were on the fence, and have not been responding to phone calls. A re-route is possible, but will take a bit of clearing of trees.

- Highway 10 to return to a two-way trail. Al Doree to change signage.

Groomer

- New groomer purchased by Morrison County. Needs tracks and a new lighter blade.
